Kimono waist after Jane Fales, Dressmaking (1917)

Print at 100 % ("actual size"). Check the 10 cm square. 6 rows x 5 columns: trim, lay out by row/column, tape.

Sizes (body, cm): B84 84/68, B88 88/72, B92 92/76, B96 96/80, B100 100/84, B104 104/88 (bust / waist).

One piece: centre front on a lengthwise fold, opening at the centre back (p.235). Seams on (her p.235 sizes):

2.5 cm underarm and sleeve seam, 6 mm neck, 2.5 cm at each centre back to fasten (ours: tapering to nothing at the neck,

where the fold runs). Gather at the waist lines.

Belt (p.236): tape or a band of the cloth 2 cm wide, your waist + 5-8 cm long.

Piecing line: opened out the waist is wider than 150 cm cloth; cut the sleeve end apart there, add 2.5 cm to both edges.

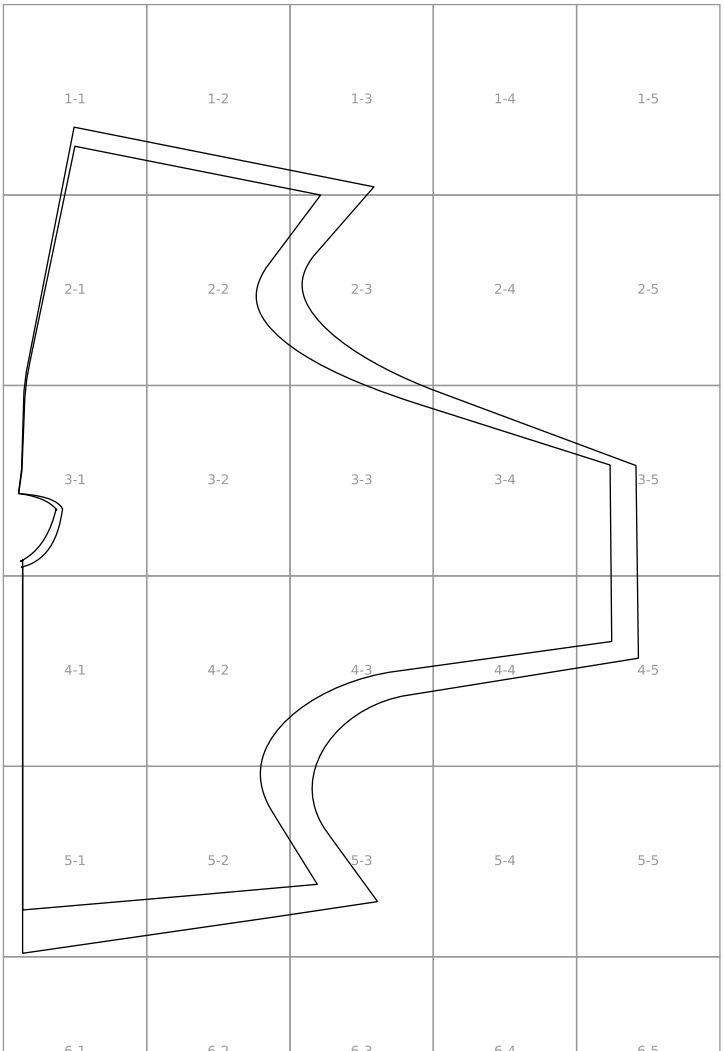

Neck: high at the back and shoulder, shaped to a point, square or curve at the front as you like (p.237).

Cloth, 150 cm wide (ours): B84 1.4 m, B88 1.4 m, B92 1.4 m, B96 1.4 m, B100 1.5 m, B104 1.5 m.

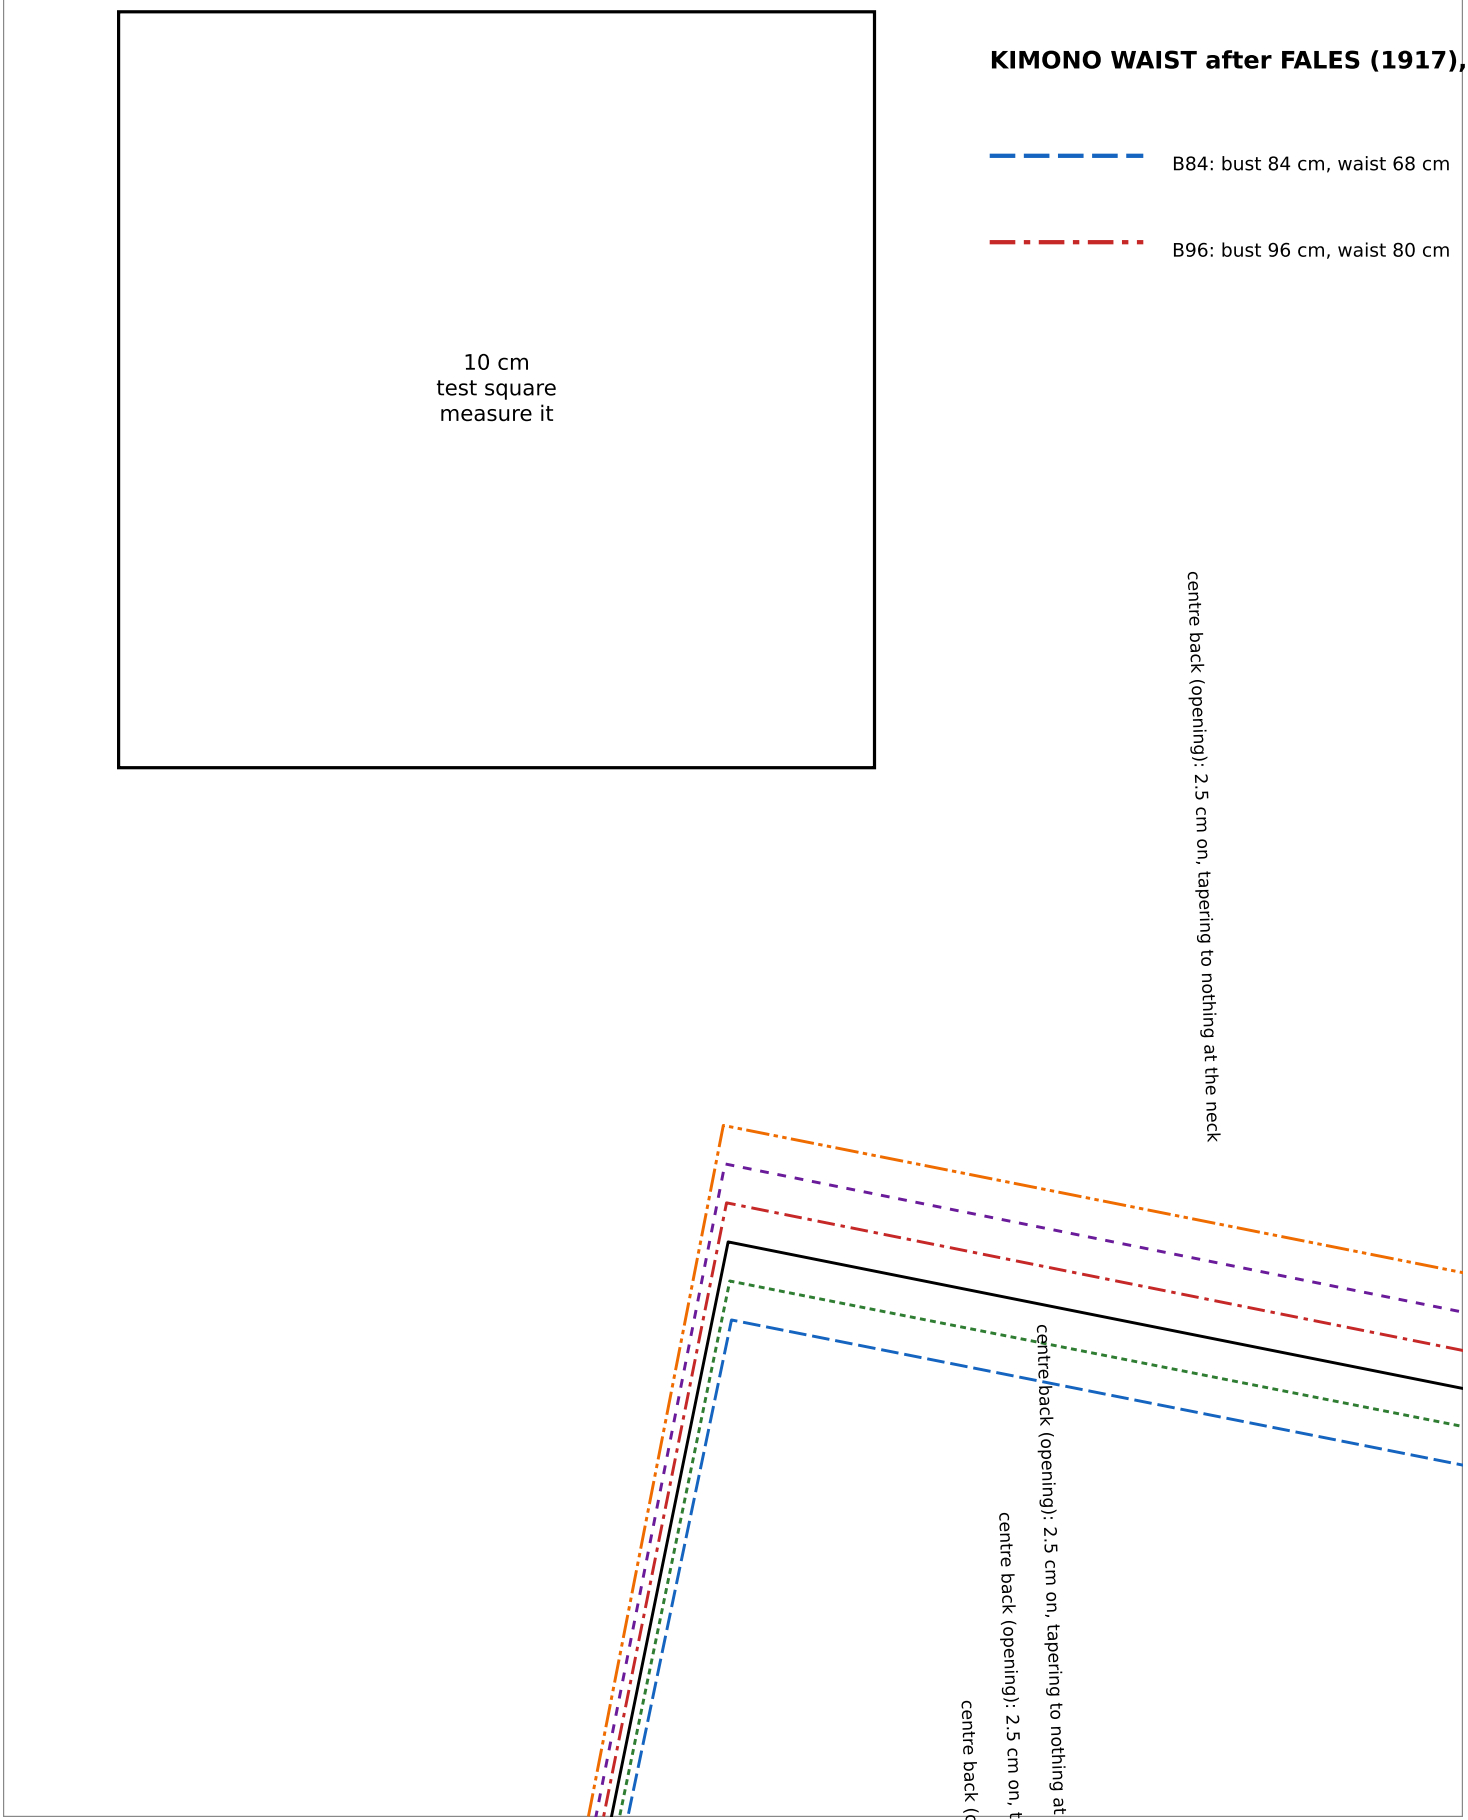

Ours, not Fales's: today's sizes (graded from her bust 96.5 cm; waist = bust - 16 cm), curve shapes,

sleeve width (elbow + 5 cm, hand + 2.5 cm), wrist hem, the layout. Where the back seam came out longer

than the front, the back waist was widened as she directs (p.234).
